Dept. of Trauma and Emergency, IGIMS, Patna

**Subject: Invitation to Deliver a Guest Lecture on “AI Tools for Scientific Research”**

Dear Dr. Rakesh Kumar,

On behalf of the Academic Society of Pharmacologists of IGIMS (ASPIGIMS), it is my great pleasure to extend a cordial invitation to you to deliver a guest lecture on the topic “AI Tools for Scientific Research.”

We are well aware of your distinguished expertise in trauma and emergency medicine, as well as your academic contributions and clinical practice. Your insights into the application of artificial intelligence in scientific research—particularly its role in enhancing data analysis, clinical decision-making, and translational outcomes—would be immensely valuable to our members, which include clinicians, researchers, and postgraduate students in pharmacology, haematology, and clinical research.

The proposed lecture is scheduled to be held on:

- **Date:** 16th June 2026
- **Time:** 10:00 AM onwards
- **Venue:** Department of Pharmacology, IGIMS, Patna

We believe your session will greatly enhance the understanding of advanced research methodologies among our audience and foster meaningful academic discourse. We would be honored by your presence and contribution. Kindly confirm your availability at your earliest convenience.

All the faculty members, SRs & JRs of Dept. of Pharmacology, IGIMS, Patna are invited for this Guest Lecture.

Looking forward to your positive response.

With warm regards

**Prof. (Dr.) Manish Kumar**  
General Secretary, ASPIGIMS
